Kathryn Bechen has relocated 16 times around the USA since she and her husband Steve married in 1980. Below are a few of their DIY small home spaces they have worked on together. Now nearing age 70, in 2026 they decided to give up their house fix-up obsession and retire to a modern 55+ apartment in Arizona with an on-site handyman that isn't *them*!

Our
Park Like Setting
City Apartment
1990s in Nebraska
